Re: ***United States v. Marvin Moy, 22 Cr. 19 (PGG)***

Dear Judge Gardephe:

The Government is currently going through the administrative process of considering a *nolle prosequi* based on defendant Marvin Moy's likely death. The Government has uncovered no additional evidence during the last 12 months indicating that Moy is alive. As part of the administrative procedure, the Government has been in contact with defense counsel to procure a copy of Moy's death certificate. The Government is still awaiting receipt of said certificate, after which it will elevate the matter further within the United States Attorney's Office. The Government will provide an update at the end of next week, April 11, 2025, updating the Court on whether it has received the necessary death certificate and where the administrative process stands. In the interim, the Government respectfully requests that the Court adjourn the conference scheduled for April 7, 2025 to give the parties sufficient time to complete the process.

Respectfully submitted,

**MEMO ENDORSED:**

The application is granted. The conference currently scheduled for April 7, 2025 is adjourned sine die.

SO ORDERED.

Paul G. Gardephe  
United States District Judge
